This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

+ *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
+ *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
+ *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
+ *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. You can search through the full text of this book on the web at `http://books.google.com/`

STATE OF NEW YORK

MESSAGES FROM THE GOVERNORS

COMPRISING

Executive Communications to the Legislature and Other Papers Relating to Legislation from the Organization of the First Colonial Assembly in 1683 to and Including the Year 1906

WITH NOTES

EDITED BY CHARLES Z. LINCOLN

PUBLISHED BY AUTHORITY OF THE STATE

VOLUME XI

1683-1906

TABLES AND INDEXES

ALBANY
J. B. LYON COMPANY, STATE PRINTERS
1909

Digitized by Google

Entered, according to Act of Congress, in the year nineteen hundred and nine,

By SAMUEL S. KOENIG, Secretary of the State of New York,

In trust for the benefit of the People of the said State, in the office of the Librarian of Congress, at Washington, D. C.

Digitized by Google

PREFACE.

Volume XI contains a table of cases cited in previous volumes, a table of constitutional references, memorandums on approval of bills, an index of vetoes, and a general index of the entire work. In the messages and other documents persons are often mentioned only by their surnames, but, with a few exceptions, the editor has been able to identify the persons so described and give the full name in the index.

Length of legislative session, 1846, V, 251; VI, 400.

ARTICLE 5.

Section 4 (am. 1876):

State prison inspectors.
1846, IV, 777; V, 77, 268, 437, 758.
1876, V, 78, 437.

ARTICLE 6.

(Am. 1869.)

Judiciary. 1846, V, 746; 1869, VI, 124.

Section 3 (Judiciary Art., 1869, § 6; am. 1888):

Court of Appeals, second division. 1888, VIII, 486; X, 373.

Judiciary Art., 1869, § 12; (abrogated 1894):

Local city courts, appointments to fill vacancies. 1869, VIII, 487.

Digitized by Google

Section 23:

Tribunals of conciliation, IV, 443, 480, 856.

Section 24:

Commission to revise procedure, IV, 366, 654; V, 596; VII, 182, 183.

Section 25:

Court of Appeals to be organized, X, 673.

Judiciary Art., 1869, § 28; (added 1882):

Additional general term. 1882, VII, 728, 837.

ARTICLE 7.

Canals and finance, IV, 599, 660, 784; VI, 887.

Sections 1, 2, 3 (am. 1854; am. 1874):

Canal sinking fund.

1846, IV, 371, 422, 472, 473, 540, 596, 602, 661, 668, 679, 781; V, 3, 4, 49, 65, 151, 208, 253, 255, 360, 363, 368, 590, 705, 706, 783, 828; VI, 10, 11, 12, 14, 103, 349, 384, 629, 658; VII, 4, 6, 280, 422, 685.

1854, IV, 678, 736, 781, 783, 784, 831, 833, 834; V, 3, 4, 5, 6, 65, 67, 151, 159, 208, 209, 253, 255, 360, 363, 590, 592, 705, 783, 828; VI, 10, 11, 12, 14, 103, 349, 615, 629, 658, 799; VII, 6, 280, 422, 576.

1874, VI, 540, 799, 1010; VII, 422, 576.

Section 3 (See am. 1854; am. 1874):

Completion of canals.

1846, IV, 369, 375, 387, 546, 549, 587, 599, 600, 628, 661, 741, 742.

1854, IV, 678, 736, 781, 783, 784, 831, 833, 834; V, 3, 5, 6, 65, 67, 152, 208, 209, 253, 255, 360, 363, 590, 592, 705, 783, 828; VI, 10, 11, 12, 14, 103, 349, 615, 629, 658, 799; VII, 6, 280, 422, 576.

1874, VI, 540, 799, 1010; VII, 422, 576.

Section 5 (am. 1882; abrogated, 1894):

Loans on credit of sinking fund. 1846, IV, 473; VI, 792.

Taxation for canal debt. 1882, VII, 685.

Section 6 (am. 1874; abrogated in 1882):

Canal expenditures. 1874, VII, 6, 359, 684.
